

# ERRATUM

**The following corrections should be made to the 2016 Kansas Sentencing Commission’s Desk Reference Manual:**

1. Appendix D, pg. 62: The statute numbers are incorrect in the last two entries of Aggravated Burglary. The statute numbers should be changed to K.S.A. **21-5807(b)(2)**;
  
2. Appendix D, pg. 104: When scoring a violation of the Kansas Offender Registration Act (KORA) pursuant to K.S.A. 22-4903 it is an AFN if the underlying crime for which registration was required is a nonperson crime. It should be scored as AFP if the underlying crime for which registration was required is a person crime. Offenders with both person and nonperson offenses that violate KORA should be scored as an AFP. This includes aggravated violations of the act. Previous law designated all violations as person crimes. This change is due to 2016 HB 2463. For further explanation see pg. 18 of this manual.
